

# 1" ZVA Diesel Hi Flow Breakaway

Fuel Parts stock and distribute an extensive range of swivel joints for use with fuel nozzles and other industry requirements.

Varying sizes and configurations allow for most applications required. Certain large swivel sizes have inbuilt check valves to satisfy NMI/NSC resale approvals.

- Compact size
- Male-Female connections
- Reduced thread options
- Aluminium and brass construction Code 20255W

## **Description Options:**

- Twin Plane Swivel joint to give freedom of movement and extra flexibility of use.

We provide a range of breakaway couplings to help protect bowsers and nozzle installations from damage due to accidental drive away incidents while nozzle is still connected to vehicle fill point.
